COPYRIGHT 1954 BY AMERICAN CHEMICAL SOCIETY

The American Chemical Society assumes no responsibility for the statements and opinions advanced by contributors to its publications. Views expressed in the editorials are those of the editors and do not necessarily represent the official position of the American Chemical Society. Published weekly by the American Chemical Society, from 20th and Northampton Sts., Easton, Pa. Executive Offices, Editorial Headquarters, and Circulation Department, 1155 Sixteenth St., N.W., Washington 6, D.C. Advertising Office: 430 Park Ave., New York 22, N.Y. Branch Editorial Offices: Chicago 1, Ill., 86 East Randolph St.; Houston 2, Tex., 623 West Bldg.; New York 17, N.Y., 60 East 42nd St.; San Francisco 4, Calif., 703 Mechanics' Institute Bldg., 57 Post St.; London, Bush House, Aldwych. Entered as second-class matter at the Post Office at Easton, Pa., U.S.A., under the act of March 3, 1879, as 52 times a year on Monday of each week. Acceptance for mailing at special rate of postage provided for in Section 1103, Act of Oct. 3, 1917, authorized July 13, 1918. Annual subscription, \$6.00. Single copies, \$0.15. Postage to countries not in the Pan-American Union, \$2.25. Canadian postage, \$0.75. Claims for missing numbers will not be allowed if received more than 60 days from date of mailing plus time normally required for postal delivery of journal and claim. No claims allowed from subscribers in Central Europe, Asia, or the Pacific Islands other than Hawaii or, because of failure to notify the Circulation Department of a change of address, or because copy is "missing from files."

CHANGE OF ADDRESS: Notify Circulation Department, American Chemical Society, 1155 Sixteenth St., N.W., Washington 6, D.C. Such notification should include both old and new addresses and postal zone number, if any. The American Chemical Society also publishes: *Industrial and Engineering Chemistry*, *Analytical Chemistry*, *Chemical Abstracts*, *Journal of the American Chemical Society*, *Journal of Physical Chemistry*, and the *Journal of Agricultural and Food Chemistry*. Rates on request.

# DATA

## You May Need

...supplementary to your own  
laboratories and as an  
impartial check.

### ANALYTICAL

Quantitative and qualitative, spectrographic, bio-chemical, bacteriological, psychometric, toxicological, and engineering.

### BY-PRODUCT UTILIZATION

The up-grading of waste or low valued products into special, useful materials, tested at every step in the process.

### DIVERSITY

... of personnel and facilities permits a broad approach by a team of specialists to the solution of your problems.

For further information on this and other Testing Company services, call or write.
