# ERRATA

In the article "The Double-KWIC Coordinate Index" by Anthony E. Petrarca and W. Michael Lay [*J. CHEM. Doc.* **9**, 256 (1969)], the complete prototype index referred to may be ordered as NAPS Document NAPS-00682 from ASIS National Auxiliary Publications Service, % Information Sciences, Inc., 22 West 34th St., New York, N. Y. 10001; remit \$1.00 for microfiche or \$3.00 for photocopies.

The correct Figure 9, an illustration of how the word "REVIEW" maintains its separate identity as an index term when it appears independently of "BOOK\_\_REVIEW," is shown.
